DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on November 21, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The specification is still silent with respect to (1) the step of displaying a chemical or biochemical image using a photocurrent color coded scale, as set forth in claim 5, (2) the shape and the background color of the illuminating area configured through a user interface, as set forth in claim 9 and (3) a magnifying lens between the sample and the detector, as set forth in claim 26. Applicant must amend the specification to secure correspondence between the specification and the original claims in accordance with 37 CFR § 1.121 (e). No new matter must be entered. See 37 CFR § 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR § 1.136(a).
